**Message from the Medical Room: Number 3**

3. Sleep. This is most important. You may be having early rises and possibly later nights than usual. You will need to give your body time to rest. So to help you sleep better try to avoid drinks or food rich in caffeine after 4pm – for example Coffee or Tea, Cola, Red Bull and dare I say it Chocolate!

**Following a couple of incidents last week – don't forget last weeks message – EAT AND DRINK!**

Have a great show, Good Luck and try not to break a leg!

**Wizz Words from Wardrobe (Repeat)**
