Finale Words***ONE - Song for Ten***

Well we woke up today
 And the world was a restless place
 It could have been that way for me
 And I wandered around
 And I thought of your face
 Those faces looking back at me

OOOOOO

I wish today was just like every other day
 Coz today has been the best day
 Everything I every dreamed

And we started to walk
 Pretty soon we will run,
 And we'll come running back to you.
 Coz we followed our star
 And that's what we are
 We've had a merry time with you

OOOOOO

We wish today was just like every other day
 Coz today has been the best day
 Everything we every dreamed

We wish today was just like every other day
 Coz today has been the best day
 Everything we every dreamed

TWO - I can't decide

I can't decide
 Whether you should live or die
 Oh, you'll probably go to heaven
 Please don't hang your head and cry
 No wonder why
 My heart feels dead inside
 It's cold and hard and petrified
 Lock the doors and close the blinds
 We're going for a ride

THREE - In the old bazaar in Cairo.

Sand bags, wind bags, camels with a hump,
 Fat girls, thin girls, some a little plump,
 Slave girls sold here, fifty bob a lump,
 In the old bazaar in Cairo.

FOUR - Don't sit under the apple tree

Don't sit under the apple tree
 With anyone else but me
 Anyone else but me
 Anyone else but me; no, no, no
 Don't sit under the apple tree
 With anyone else but me
 Till I come marching home

I just got word from a guy who heard
 From a guy next door to me
 That the girl he met just loves to pet
 And it fits you to a tee
 So don't sit under the apple tree
 With anyone else but me
 Till I come marching home

FIVE - Little Patch of Heaven

Darling I swear, once you've been there
 There ain't a view beneath the view that could
 ever compare
 The only thing missing, is you as my guest
 On that little patch of heaven way out west
 Why don't you come visit?
 There's room in the nest
 On that little patch of heaven way out west

SIX - Three Cheers

Three cheers for the days
 To the joy and happiness found
 For all the fellers around
 Three Cheers for the times
 We have had together
 And while together
 We'll stay on top of the world

When the days bring the parting of the ways
 No matter who it is departs
 We'll remember the wonder memories
 And a song will be singing in our hearts

Three cheers for the years
 And the best time of our lives
 So along the way
 For each and every day
 You're gonna hear us say Three Cheers
