I would like to thank Helen, Rachel and the production team for all your hard work over the last few months to bring together a great production. The cast has enjoyed working in a relaxed yet productive atmosphere that has succeeded in keeping the young people (and their leaders) focused. We are all looking forward to a long and rewarding week next week.

Dear All

I am really looking forward to seeing you all at the forthcoming gang show. I know you have all been rehearsing really hard putting in a tremendous amount of time and effort to ensure a fantastic show.

By all working together either 'treading the boards', working 'back stage' or 'front of house' I am sure you will have already created many memories and I am also sure many more will be created when the show goes live. '

'Break a Leg!'

Regards
