### **Original Song Title**

#### ***All the lads together***

Let's all go down the pub (Saturday night boys)  
All down the rubber dub  
I'm 'ere, Sid's 'ere knocking back the beer,  
When half past ten comes we will still be here

### ***The Strand (midi)***

This is the place to be (Saturday night boys)  
Beats all your cups of tea  
And if Landlady treats us right  
We'll be back tomorrow night, oh  
Let's all go down the pub

#### ***To his girlfriend***

Daisy, Daisy  
Sitting upon the bar  
Your quiet hazy after my 14<sup>th</sup> jar  
It's a bit of an hocus pocus  
To get you into focus  
It looks like you've been  
Made brand new  
In a jelly mould built for two!

### ***Daisy, Daisy (midi)***

#### ***Two Girls together***

Your mate Mary's  
Nearly as drunk as me  
She had 14,  
I have had 23  
Despite of my fuller figure  
Her capacity's much bigger  
Her hollow legs  
Are just like kegs  
And she's filling her wellies too.

### ***Starts and Stripes***

#### ***Forever (Midi)***

#### ***Two Friends together***

**As soon as we both finish these**

**Why don't we have a meal round the Chinese**

**Or else I shall go of me nut**

**Coz me stomach thinks me throats been cut**

I'd much rather stay in the pub

To re float my kidney that is sinking

I don't want to fill up with grub

The little space that I've reserved to put some beer in.

#### ***As above but with more people***

**Prawn chop suey and a chicken fritter,**

Large Drambuie and a pint of bitter,

Corkscrews and waiters,

**Rice and potatoes,**

**Hurry up and finish with that cocktail - Alligator**

Three pink gins and a Napoleon brandy,

Two dry sherries and a half of shandy,

**I'll run amok! two crispy duck!**

wishing you the best of luck

**Herbert's drunk so much he can hardly stand**

I have got a very similar occasion plan

**So before we sing another tune**

I'll Ring the wife, say we'll be home soon

### ***Entry of the***

#### ***Gladiators (midi)***

#### ***Lonely man sitting in the corner on his own***

If this was the only pub in the world

I still wouldn't eat their pies

Nothing could be lousier than the food in here

It's so bad it nearly puts you off your beer

If you had the ploughman's they serve in here

It tastes just like mud and straw

Picked a pie up, dropped it and broke me foot

The chef has entered them in the games shot put

If this was the only pub in the world

I'd eat at the Vets next door.

### ***If you were the only girl in the world (midi)***

**Waiting at the Church (midi)**

**One person at the bar**

There was I, Waiting at the Pub,  
Waiting at the Pub, waiting at the Pub;  
When ma'friend had left me with a snub.  
Lor, how it did upset me!  
All at once, he rang my mobile phone  
rang my mobile phone, here's the mobile phone:  
"Can't get away to drink with you today, My wife, won't let me!"

**Knees Up Mother Brown (midi)**

**Split the cast up into three**

Mines a pint of brown  
Finest stuff in town  
Spent the rent but what the heck  
Get that nectar down your neck  
Keep your pecker up lads  
Or life will grind you down  
Let's not ease up  
Let's have a knees up  
Mines a pint of brown

**Old Iron(midi)**

Any old time, Any old time  
I'll drink any old time  
Now and then  
Same again  
You keep paying and I won't say when  
Half past ten, gentlemen,  
Its way past closing time  
With a little bit of shut eye  
I'll be back for more  
Next time, Next time

**Rotten Song (Midi - Knees Up)**

Ooo, Ooo What a rotten song  
What a rotten song  
What a rotten song  
Ooo, Ooo What a rotten song  
What a rotten singer too.

*Once all sang  
individually sing all  
together!, finishing on  
a repeat of (in slow  
time)  
Mines a Pint of Brown*
