e-mail: Scouts@1stBrompton-Scouts.org.uk

Young Leaders

Ben, Becki, Nat and Will.

Summer Activities

A number of people have not returned their availability slip so this newsletter has been sent to all Troop members.

Scouting Sunrise Wednesday 1st August

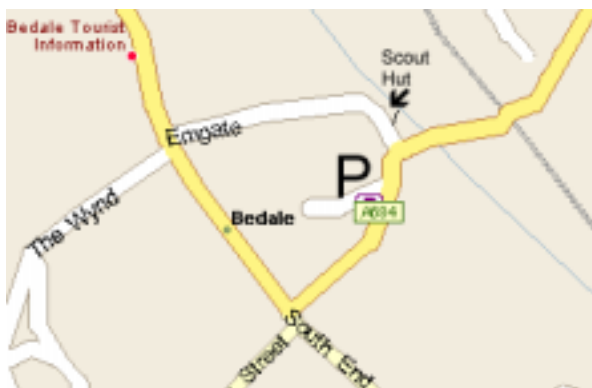

Summer Camp will be followed by the Scouting's Sunrise day on 1st August.

Like Scouts all over the world we will be renewing our promise

at 08:00 led by Peter Duncan on Brownsea Island.

We will be renewing our promise in Bedale. Please be at Bedale Scout Hut off Emgate between 07:30 and 07:45. After renewal of our Scout promise we will have breakfast and a series of fun activities including raft building. Please bring 50p towards the cost of breakfast.

On arriving in Bedale from Aiskew, Leeming Bar etc., cross the railway and then follow the road to the left but immediately turn right into the car park. Walk back towards the railway but walk past the "club" instead of crossing the railway. Walk down the track at the side of the club building to the Scout Hut.

If you are going to be away, try and meet up with a Troop where you are staying and take a photo. Don't forget to swap Group name tapes as part of the centenary competition.

Expedition Challenge

We have an opportunity for members of the Troop to compete the "Expedition Challenge" on Friday 17th and Saturday 18th August and then spend a second night camping and return on the afternoon of Sunday the 19th.

The expedition route is from the Kildale area to Clay Bank and then on to Carlton on day one. Then from Carlton to Faceby, Swainby (ish) and Sheepwash on day two.

Cost £15 including all food.

Please return the enclosed consent form if you wish to take part. Subject to have a minimum of four Scouts wishing to participate, we will then arrange a planning meeting.

Orienteering Saturday 6th October

We be taking a team of Scouts to take part in an Orienteering Day subject to enough people wishing to take part. Places have to be booked so please return the enclosed consent form by 1st September.
