When the Coronavirus lockdown stopped our planned activities in March brought everything to an abrupt halt we were not expecting to be still working online at the end of the year.

The LINX Unit (Great Smeaton) and Odin Unit (Stokesley) are both without leaders so we have merged LINX back into BARNES and are running everything for Odin and BARNES together.

We have adapted the programme to run everything “at home” and have managed to keep some of our fundraising for the Baas Educational Trust running with “Click and Collect” and changing to an online shop. A number of the Explorers have camped in their gardens and cooked on fires and BBQs in their gardens.

Most of our Young leaders have been assisting with online programmes for groups and Network members have helped with our programme and are working with Groups outside North Yorkshire.
