Northallerton ESU Reports

Rock-it-Ball

Twenty six members of the Northallerton unit participated in a Rock-it-Ball introductory session at Hambleton Leisure Centre in February. Danny

Cameron gave his time to come and show the unit how to play this fairly new sport. After a briefing at Malpas road where he explained the rules and how to play we then went to the leisure centre, split into teams and proceeded to try to hit each other with the ball. No major injuries were sustained (which makes a change). Everyone agreed it was a fun evening and some Explorers even attended a training session later in the week so they could play again.
