

Virtual Choir

Hi We would like to invite you to come and join our Virtual Choir, we thought it would be a good idea to get our young people within the District together and create a virtual choir and hopefully raise some money for local charities.

How are we going to do this? first we need to see how many of you are interested in music and singing.

Please can you register your interest at this email address les@northallertongangshow.org.uk

Once we have a sufficient number of choir members, we will be in contact with you and forward the words of the song we are going to sing, together with the soundtrack. Unfortunately, we are unable to do a rehearsal all together, as the conference site Zoom has a delay which would make a rehearsal rather difficult. So what we would like you to do is, do your practicing at home and when you are ready do a video recording of you singing the song, (you will also need to wear your sections uniform) and send your video to me.

Once we have all the videos together we can then edit it, add the music , as well as a few bits and pieces and we should then have produced a great music video and at the same time try

and raise some money for local Charities.

We hope you will be interested in this, if you would like to take part please email me and join in the fun.

Many thanks.

Hope to hear from you soon.
